

Francis College of Engineering

International Travel Scholarships

Engineering is a global profession and studying or interning abroad can truly enhance your University experience. To support potential foreign visits, we are proud to announce the availability of International Travel Scholarships for students enrolled in the Francis College of Engineering who wish to take advantage of these programs during the Summer of 2018.

The College will award scholarships of up to \$1000 each, applicable to the program fee or travel costs. Additional scholarships may be available from Online and Continuing Education, and individual Departments and Programs.

To apply for an International Travel Scholarship, submit a completed scholarship application (attached) to the Office of Study Abroad by **FEBRUARY 15, 2018**

More information about our faculty-led study abroad programs can be found here: <http://www.uml.edu/international-programs/Faculty-Led-Programs/>.
