## WHY STUDY IN SOUTH KOREA?

At Yonsei, students are exposed to a beautiful and culturally rich environment. The university is fortunate to be situated in a spacious, quiet, and well-wooded environment with a mountain inside located just in the center of Seoul's metropolitan area. South Korea is a country that embraces both a modern and traditional way of life. It has many museums, galleries, theaters, and cultural venues as well as historic monuments and sites. These give students a historical perspective into cultural foundation for modern Korean society, as well as a great backdrop to learn about modern youth culture in Asia.

## HOUSING

SK Global House & International House at Yonsei can accommodate up to 880 students in double rooms with a mixture of Yonsei and international students. SK Global House houses up to 581 students and offers both single & double rooms while the International House houses up to 232 students and offers double rooms. The international students' dormitories (Gukje Haksa) house students from all over the world in a multicultural atmosphere, with the primary language being English.

## STUDY ABROAD OPPORTUNITIES

## STUDENT LIFE

In addition to enjoying the lovely environment, students can share special memories and experience Korean culture by participating in various Yonsei clubs and activities for international students. The famous Yon-Ko Games, an annual sports festival of Yonsei University and Korea University, is also a major must-see for international students. Through various programs and events organized and conducted by Yonsei Global,
