

WHAT IS HESSEN EXCHANGE?

The **Hessen-Massachusetts Academic Partnership** was implemented in 2004 with the objective of supporting student mobility and fostering collaboration institutions of higher education in those states. The exchanges seek to create an environment of international knowledge, cultural competencies and linguistic skills of students for the future. Enrolled UMass students have the chance to get international experience by studying abroad at one of the **Hessen International Summer Universities (ISU)**, the **Hessen International Winter Universities (IWU)** or by enrolling in one of the participating Hessen universities, universities of applied sciences or art academies for 1-2 academic semesters on exchange. This experience not only gives you the chance to live in Germany and learn the language, but to take relevant English-language courses as well.
